

# CHANGES TO SCHOOL MEAL AND TRIP PAYMENTS

From **1st September** we will be leaving Scopay and **moving all payments across to Arbor.**

This has been a plan that has been in motion since we joined Arbor and we are now able to make the change. This change is to help us streamline our systems and make it easier for parents having everything in one place.

Please ensure you have **downloaded and signed in to the Arbor App.**

Children will still be able to order lunches in school as they normally do.

The only thing changing is that **payments will need to be made via Arbor.**

Thank you for your support!
