Dear Parents and Carers,

I would like to congratulate all of the pupils who demonstrate the school's values when they are at school but equally when they are out in the community.

Unfortunately, I am increasingly concerned about the anti-social behaviour of a small minority of pupils who are not behaving in an appropriate way outside of school and in the local community,

As we know, the strength of our community is that many childrens' friendship groups go beyond one school. That is hugely important, but it is not acceptable for pupils to take part in any anti-social behaviour including swearing or threatening behaviour, nor is it fair for our community.

These are not new issues for any school in any part of the country. But they are issues that we can work together to challenge. If you have concerns about your son or daughter's involvement in such behaviour, please contact the school for support. Equally if this is affecting your area, please report such behaviour to the police on 101. The school will also contact outside agencies if required.

The following website provides information to parents on how they can support the school and the community with anti-social behaviour.

Yours Sincerely

Mrs N. Jones
