Dear Parents and Carers,

The staff and governors of Haselworth Primary School have completed the work on creating a revised draft version of the school vision statement. It will be central to the future development of the school and build upon our school's success to date.

The vision for the future of our school clearly shows that the children are at the heart of everything that we do at Haselworth. We would welcome feedback from you before this draft is finalised.

The new draft is as follows:

At Haselworth Primary School, the children are at the heart of everything we do. We are a happy, caring and inclusive school where each child's individuality is recognised and valued. All children are encouraged to be independent thinkers, to develop self-belief and resilience. Through a high-quality education, which broadens the children's horizons, they will learn to flourish in a constantly changing world.

The school is also reviewing the 12 values. This work will continue over the next few weeks and we will also consult with you shortly.

We would appreciate your feedback in response to the revised Vision Statement. Please submit any responses via the following link [Draft Vision Statement - Parent/Carer Feedback Form](#)

Yours Sincerely

Mrs N. Jones
Headteacher
