

Dear Parents and Carers,

As a school we are very aware of the importance of providing opportunities for our children and school community.

Due to the pandemic and various other events out of our control over the last two years we were unfortunately unable to carry out some of the events we had planned. We appreciate that this was disappointing for our children and families.

We would like to form a “Friends of Haselworth” team to organise fundraising and events for the school. This includes, school discos, the summer and Christmas Fayres and any other fundraising events. Some of these events may not be able to take place without extra support.

We are looking for friendly, enthusiastic and committed people who are able to come up with some fundraising ideas and be pro-active in organising events over the school year.

If you think you might be interested in becoming of a Friend of Haselworth please complete and return the slip below.

Once we have an idea of volunteers we will arrange a date to meet and brainstorm ideas.

Name:

Parent/carers of Class

Contact Number:

Are you available:

- ☐ Any time
- ☐ Daytimes only
- ☐ Evenings only
