Dear Parents and Carers,

I am very proud of the children at this school and the way in which they uphold the 'Haselworth Way' by consistently demonstrating our school values. These values are regularly referred to, discussed and celebrated in school. Our values are as follows:

Unfortunately, we have become aware of an increasing number of anti-social behaviour incidents involving a small group of pupils from our school who are not behaving in an appropriate way outside of school and in the local community. This also includes conduct online using various social media platforms. These are not new issues for any school in any part of the country. However, they are issues that we can work together to challenge.

If you have concerns about your child's involvement in such behaviour, please contact the school and ask to speak to the class teacher in the first instance. If it is a safeguarding concern, please ask to speak to one of the Designated Safeguarding Leads.

Thank you for your continued support.

Mrs N. Jones
