25th November 2021

Dear Parents and Carers,

Hampshire County Council have approved funding to support schemes that will provide food and activities over the Christmas school holiday to children who are eligible for free school meals. Many of these are being delivered in other school venues.

The school holidays can be a challenging time for parents and carers, especially this year with the impact of Covid-19. Taking part in free holiday clubs where they can have fun and enjoy a nutritious meal ensures that children from low-income families do not miss out on the benefits offered by organised out of school activities.

Children can eat healthily, become more active, learn new skills, and socialise together in a safe environment.

Please click on the link below to see what activities are on offer in our local area.
