Dear Parents/Carers,

At Haselworth Primary School we are very proud and fortunate to have a very dedicated and supportive school community. At our school the staff, governors, parents and carers alike all recognise that the education of our children is a partnership process between all. The school's vision and values must be upheld at all times.

Haselworth Primary School encourages close links with parents and the community. We believe that children benefit when the relationship between home and school is a positive one. The vast majority of parents, carers and others visiting our school are keen to work with us and are supportive of the school. However, on the rare occasions when a negative attitude towards the school or the community is expressed, this can result in aggression, verbal and/or physical abuse towards members of school staff or the wider school community.

In a recent newsletter, the school provided a summary of the expectations of all parents, carers and visitors onsite. Further to this reminder, please find attached the Safe School Environment Policy. The purpose of this policy is to provide a reminder to all parents, carers and visitors about the expectations around the conduct of all parents and visitors connected to our school.

We expect parents and other visitors to behave in a reasonable way towards members of school staff, visitors, parents and children. This policy outlines the steps that will be taken where behaviour is unacceptable

Kind regards

Mrs N. Jones
Headteacher
