June 2021

Dear Parent / Carer

Re: Summer Term Activities 2021.

Following the recent update from the government we want to make you aware that we will continue to employ the current control measures to ensure that the children are safe in school, retaining our bubble system to reduce unnecessary mixing, promoting social distancing where this is appropriate, encouraging children to wash their hands thoroughly more often, making sure that spaces are well ventilated and employing increased cleaning regimes in school.

It is still vitally important that everyone continues to play their part in maintaining all the measures we have in place so that we can all have a happy and healthy summer.

With this in mind and after much consideration to our Covid-19 risk assessment, consultation with the Local Authority, and in order to give families some certainty about whether or not to request time off work, we have decided that 2021 Sports Day will take place without parent/carers visitors on site. Given the concerns about new Covid variants, to ensure year group 'bubbles' are kept separate, we feel this is the best option for this year.

We will be arranging an in-house sports day and we will make sure that this is as fun as possible for the children. We really hope we can return to Sports Days with families attending next year.

We are hoping that on the 19th July 2021 we will have a more positive update from the government and we hope to hold our year 6 leavers assembly and invite parents/ carers. We will review this after the next government briefing and update parents / carers accordingly.

Best wishes,

Mrs Jones
Headteacher
