Covid Rules

Dear Parents/Carers

We have been notified that some of the lockdown rules are not being followed by our parents/carers and children and by these actions, the whole school community is being put at risk.

You are no doubt aware Covid-19 rates across the UK are rising and that the Government has placed Gosport in the Tier 2 category.

These restrictions are in place to protect everyone and it is paramount that we all adhere to these guidelines.

We have staff and parents who care for members of their families who are high risk and we are doing our upmost to protect everyone within our school. By allowing your children to mix outside school with children outside their bubbles, you are potentially putting more families at risk. This also causes a possible threat to not only your child's education but other children within our school.

Also, if another child in your household, who does not attend Haselworth, is not in school due to their bubble isolating they should not be seen on our school premises and should be following the advice issued from that their school or childcare setting.

If you child presents with any one of the three Covid symptoms please do not send them into school.

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

I am sure that you wish to keep the school community safe and I would kindly request that we all adhere to the restrictions that have been put upon us for as long as they are in place.

Thank you for your continued support.

Yours sincerely

Mrs N. Jones
Headteacher
