Christmas Cards

Dear Parent/Carer

The act of writing a Christmas card is very personal and always brings happiness to children. It also shows that an individual has shown kind, caring thoughts to want to celebrate this festive period with his/her friends. We feel it is important that our children celebrate this fun time of the year with their friends whilst in school.

With Christmas only 3 weeks away, we feel it is important for our children to still share Christmas cards with each other whilst taking the appropriate safety measures to protect our school community. We would therefore request that any Christmas cards your child wishes to send are brought into school on a Monday only. These will be kept in a box 'for isolation' by your child's class teacher. On Friday of each week, the cards will be distributed to the recipients. In order to make this work, please can children only write cards to those children who are in their class. Children will not be allowed to give out cards individually.

Please can you ensure that your child adheres to these guidelines to ensure we continue to remain a safe and secure environment for everyone during these unusual times.

We hope that you will help us enable our children to fully enjoy this joyful season by adhering to our procedures for the distribution of Christmas cards.

Thanking you for your continued support.

Yours Sincerely

N Jones
