Pupil Progress Updates – Week commencing 11th November 2019

Dear Parents/Carers,

We will be holding Pupil Progress Meetings next week.

Appointments are as follows:

Mrs Quinn (YrR) Tuesday 12th and Friday 15th November

Mrs Faye (Yr1) Wednesday 13th November

Mrs Hosmer (Yr1) Friday 15th November

Mrs Turner (Yr2) Tuesday 12th and Wednesday 13th November

Mrs Holland (Yr3) Wednesday 13th and Friday 15th November

Mrs Wright (Yr4) Wednesday 13th November

Mrs Pompa (Yr5) Tuesday 12th November

Mr Lett (Yr5) Friday 15th November

Mrs Flanagan (Yr6) Wednesday 13th November and Friday 15th November

If your child has two class teachers please only book one appointment, you do not need to book an appointment with both teachers.

ParentMail bookings will be live from 5pm today. If you are unable to make a booking online please contact the school office from tomorrow morning.

If you are unable to make the days or times available please arrange another time with your child's class teacher.

Please remember appointments are on a first come first served basis.

The expectation is that every child will have someone from home coming to a meeting. If we do not hear from you regarding an appointment we will be contacting you.

These meetings are really important because they give you the opportunity to discuss with the teacher what your child is doing at school, how they are getting on and how they can make progress. Coming to Pupil Progress evenings can help you become better involved in your child's learning. When schools and parents work together, children do better.

Pupil Progress evenings give you an opportunity to ask questions and share information about your child and their learning. You can strengthen your partnership with your child's teacher. This helps the teacher to help your child.

Some questions you might want to ask:

- Is my child happy at school?
- How well does my child take part in class activities?

Haselworth Primary School

- What more can you tell me about my child's strengths and how they can improve?
- Can you explain what my child will be doing next?
- What can I do to help my child at home?

Talking about these things helps parents and teachers to understand and agree the roles that they can play.

Children do better when information about their learning is shared between everyone involved in their education. Discussing what your child is doing outside school can help the teacher to build on that learning at school.

You might want to share information on:

- the interests, hobbies or activities your child is involved in
- how you feel your child is coping with school and school work
- any particular worries or difficulties you've noticed
- changes in family circumstances.

Letting your child's teacher know what is going on outside of school can be helpful but you don't have to give any more information than you want to.

By coming to a Parent/Teacher meeting you can make a real difference to your child's learning. The meeting will help you to play an active role in discussing your child's progress. The school will value your views and you can pick up practical suggestions about how you can help at home.

Please be aware that with the exception of Oresome Chance and Ladybirds Club **ALL** after school clubs will be cancelled during the week of Pupil Progress updates. Please ensure all children are collected at 3pm each day.

Yours Sincerely

Mrs Jones
Head teacher
