Dear Parents and Carers,

Re: Covid-19 Contact tracing over the May Holidays

We continue to play an important role in contact tracing for those pupils and staff who continue to attend their school. We recognise the challenges of this responsibility during holidays.

Where a pupil or staff member develops symptoms of coronavirus (COVID-19) within 48 hours of being in school, please can you inform the school on adminoffice@haselworth.hants.sch.uk and take your child for a test. The email address will be checked at 11am each day throughout the half term break.

We ask that staff, pupils, parents and carers only inform the school of a positive case if either symptoms or a positive home Lateral Flow Device (LFD) test occur within 2 days of being at school. (LFD tests should not be used if displaying symptoms.)

Where symptoms or a positive home LFD test occurred more than 2 days since the person was last at their education setting, this does not need to be reported. Where this is the case, staff, pupils, parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

We, as a school, are doing all we can to protect, not only our pupils, but our staff members too who also have families, some with vulnerable adults and children. We recognise the impact that following the rules is having on us all but we must stay safe to protect each other, please continue to follow government guidance.

Best wishes

Mrs N. Jones
