Social distancing reminder

Dear Parents and Carers,

When collecting your children please do not arrive until it is your child's class collection time and please show courtesy to the parents who are collecting earlier than you.

The class collection times are as follows:

Cygnets: 2.40pm

Peacocks: 2.50pm

Woodpeckers: 3.00pm

From Wednesday 23rd September please can we ask Peacocks parents to queue on the left following the pavement and Woodpeckers parents to queue on the right following the foot path.

No one is to queue on the car park.

There will be an orange barrier by the gate which no one is to pass. Please wait patiently for your child who will be dismissed by a member of staff in the order you arrived.

Please remember that if you have children in different year groups please collect both children at the older child's collection time.

As the school gate is on a public site the school is unable to mark out two metre markings.

Please protect the community by social distancing whilst waiting patiently for your child to come out and use your common sense as the school cannot be held responsible for how you wait for your child. Once you have collected your child you must leave the collection area immediately and do not congregate in groups.

Thank you for your support and cooperation.

Yours sincerely

Mrs N. Jones
