2nd July 2020

Dear Parents and Carers,

The Secretary of State for Education has confirmed that the Government are not asking schools to open over the summer holidays, and there is no expectation that schools should open for vulnerable children and children of critical workers over this period. Therefore, Haselworth Primary School will not be open during the Summer Holidays.

Today, guidance was published on the opening of schools, full time, from September. The team have been and continue to work on the action plan and risk assessment for September. As soon as it is finalised we will write to you again. This is also the reason why we have yet to inform Reception parents of the induction plan for reception children in the autumn term.

The aim of the school's action plan and risk assessment is that all children will return full time in September although this will need to be in line with the guidance. As you can imagine this is not without its challenges so we ask you to be patient.

We have now received guidance on the Covid Summer Food Fund and are working on arranging Free School Meal vouchers for parents over the summer holidays. You will shortly be receiving information regarding this. The vouchers will be issued on the last week of term by email unless you have advised us that you would prefer a paper voucher.

Finally, our INSET days for the next academic year have been confirmed and are as follows:

Thursday 3rd September 2020

Friday 4th September 2020

Friday 23rd October

Friday 12th February 2021 (Common Closure Day)

Thursday 6th May 2021

We will continue to keep our families updated as and when guidance is received.

Yours sincerely

Mrs N. Jones
Headteacher
