15th June 2020

Dear Parent/Carer

Following the Government announcement that schools will not be expected to open to more children until September and that it will be down to individual schools to decide, we have and still continue to look at any means we can to open our school for more children. Individual year groups will be contacted as necessary to plan for this. However, with all the challenges that we face with social distancing and staffing, currently Years 2, 3, 4 and 5 will not be able to return full time unless the Government guidance changes.

We genuinely appreciate how difficult this must be for you to manage, not only because of all the uncertainty but also because you are supporting the learning of your child at home. We would kindly ask that you continue to engage your child with his/her home learning and contact the school if you need any help. Weekly calls home will continue to be made by Mrs Holmes so if you need anything please let her know.

Our staff are currently printing home learning packs for those pupils who cannot access technology and whilst this is presently manageable, we are having to chase parents to collect their packs. Please only request a pack if you cannot access the learning online.

The school will continue to inform you of any updates from the Government as soon as we hear them. In the meantime, please stay safe and be kind to yourself. As a parent/carers, you are all doing an amazing job in ensuring the education and well-being of your children is maintained in these unprecedented times.

The Haselworth Team are always here to support you and we can be contacted via phone, email, Seesaw and Tapestry.

Best wishes

Mrs N. Jones

Best wishes

Dr Chris Roast
