Friday 17th April 2020

Dear Parents/carers,

The children continue to be greatly missed. It has now been announced that the lockdown period will be extended for at least a further three weeks. We will continue to give updates as soon as we receive them and will continue to offer support in any way that we can. That means school will remain closed for the majority of families until further notice. We will only be remaining open for children of critical workers and those recognised by the county who need to be in school.

We continue to urge all parents who are critical workers and have an option to keep children safe at home to continue to do so. This is vital to protect all the children and staff who are in school and will continue to reduce the spread of the coronavirus.

The school day will run from 8.30am until 3.00pm. Please ensure that your child is collected on time. This arrangement will continue and will be reviewed in the response to staffing levels and the government guidance.

Home learning will continue to be posted on the webpages. Please remember to use your personal log in to the Seesaw app. This gives your child the opportunity to keep in touch with your child's class teacher and share the activities they have been completing at home. If you need to contact the school for support, please do so and you will be able to speak to a key member of staff.

Kind regards,

Mrs Jones
Headteacher
