Monday 23rd March 2020

Dear Children,

As the Headteacher of this wonderful school, I am greatly saddened that I have had to close Haselworth Primary School until further notice. I look forward to the day when we are all back together and I can welcome you into school again. That will be a day of celebration. Look after yourself and others. Remember the Haselworth Values as these will help you during this unsettled time.

You will all need to take some responsibility for your learning and work hard. Please remember that you may be at home but you are still Haselworth Primary School children so make us proud of you.

As I reminded you on Friday, we are all thinking about you. Below, you will find messages from the teachers, the support staff, the administration team (office), the midday supervisors, the site team (caretaker and cleaners) and the governors. I hope that you enjoy reading them.

Dear Sunshines,

Although many things have changed over the last few days you are fantastic, adaptable chameleons. I am so proud of you all! We are still able to do amazing learning wherever we are and whoever we are with. I can't wait to see on Tapestry what you have been doing each day so please keep sharing. Remember to have fun playing and be kind. Love, Mrs Quinn

Dear Haselworth School children,

I will miss you all very much whilst the school is closed. I always love seeing your smiling faces when I pass you in the corridor and I enjoy listening to your stories and news. Whilst we are all at home, I will be thinking about you every single day! Please feel free to send me a message any time on Seesaw, to let me know how you are. I can't wait to see you all again when we are back in school and having fun. Love from Mrs Hosmer

Penguins, keep being the amazing children that you are. Be good, try your best at all you continue to do and I will enjoy seeing the lovely pictures of you and your work on Seesaw. I look forward to when we are singing altogether at Haselworth soon - especially the 'banana, banana, meatball' song! 😊 Lots of love, Mrs Faye

Dear Wren's,

I am sorry I will not be able to see you anymore but I am excited about seeing what learning and fun activities you get to. Please remember to send me photos of work on seesaw. A huge thank you to you all for being my class. I will miss you all.

Dear Kestrels,

I just wanted to let you know I am thinking of you and hoping you are all keeping safe and healthy. I'm looking forward to seeing you all again, as soon as it's possible.

Remember to 'be your best self!'

Love from Mrs Wright.

Dear Puffins and Kestrels (Puffstrels!),

I am thinking of you all lots and hope you are all safe, happy and well. I am being very adaptable and learning to use Seesaw so check it for learning activities each day. I miss you all already and am really looking forward to lots of Seesaw messages. Be good, be safe! Love Mrs Holland

Dear Haselworth Children,

We might not see each other for a while, and I will definitely miss your lovely smiley faces every day, but remember we are all members of the Haselworth family. Let's keep in contact through lots of fun challenges on our home learning and when it is safe to come back to school, I can't wait to celebrate with you all. Love Mrs Pompa

Hi Everyone,

It is really strange to be in a classroom that is silent, I don't think I have experienced that at Haselworth before! I hope you are all keeping safe and are starting to get used to our new way of working. I am looking forward to seeing all your work on SEESAW and to welcoming you back when we return to school. Stay safe and look after your families. Mr Lett

Kingfishers,

I am so proud of all of the hard work you have put in over these last few terms-you have been a credit to yourselves as well as the school. Keep your brains ticking over by completing the weekly tasks on the class webpage and on Seesaw. Stay safe and stay in touch. Mrs Flanagan

Hi Guys.

Though you are not in the school building at the moment, the teachers are thinking of you a lot, wondering whether you are reading, writing, creating some wonderful construction or artwork, exercising or having some playtime! I really look forward to finding out about everything you have explored in your homes and on your

walks, what your favourite games are, and what you are looking forward to doing when you and your friends all meet up again. I'd love to see anything you've done on Seesaw, and will be checking regularly! Mrs Millard

Dear Haselworth Children,

I hope you are all keeping yourselves occupied. We all miss you-the school isn't the same without you. We can't wait to have you back. Keep busy! The Support Staff

From all the admin team at Haselworth we miss you all. It's very quiet here and very strange not seeing all your lovely faces. The mobile phone box is empty too which is extremely strange 😊 Best wishes and good health to you all.

Dear Children,

Hope you are all well. We're busy looking for lots of new and fun activities for lunch time to keep you all entertained when you return. Take care from Mrs Foster and the lunchtime team

A poem from the site team

A school with no children seems so sad
I bet you're at home driving the grown-ups mad!
The site team are here fixing and cleaning.
So when you all come back the school will be gleaming.
Miss you children, see you soon.

Dear children and families,

The governors along with your teachers are very sorry that school ended so suddenly for many of you. We know that at first it's going to feel very strange, but please try to keep in mind our school values, especially "Adaptability" & "Resilience" as these will help you to get used to not being in school.

We hope that you remain safe and happy at home and we look forward to having a massive party when you come back! Your class teachers will look forward to seeing you return to school and also see how much progress you have made during your home learning, which we're sure will benefit you greatly. We hope that if it's possible, you will still be able to get some exercise and of course, help your parents and carers as much as you can. Haselworth Governing Body

I hope to see you all safe and well soon!

Best wishes,

N Jones
