

The use of the School Sports Premium at Haselworth Primary School

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of PE and sport in primary schools.

This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

In 2013-14 the funding was spent on Gosport School Sports Partnership membership, Pompey in the Community training for all KS2 pupils, transport to and from sporting fixtures across Gosport, cycle/scooter racks and a range of updated resources for PE in the school.

The impact of this was increased participation and enjoyment in sporting activities across the school, especially the opportunity for competitive sports, and increased engagement and enjoyment in physical activities.

2014-15 allocation: £8000 + £5 per pupil

Provision	Intended impact
Gosport School Sports Partnership including: Year R-1 Racket skills Year 2 Invasion Games Year 3-4 swimming tuition Year 5-6 bikeability training PE subject leader professional development Attendance skills with ice skating vouchers	Each class will have specialist tuition at least once in the academic year. Children will be encouraged to try new sports and to be physically active. PE subject leader will develop skills and knowledge to lead sport and PE effectively.
